

Lil' Chick Pet Sitters

Pawsitively Purrfect 4 your pets!

Hi! I am A.J. the owner of Lil' Chick Pet Sitters. I have loved animals all my life for as long I can remember and have eight, yes 8 pets of my own. Because I can't have any more pets, this is Pawsitively the Purrfect job for me.

In the past I had run a small very successful mortgage company. After nine years of helping homeowners I finally decided to persue my passion for taking care of animals.

My GOAL is to provide excellent pet care to your pet, family and your home when you are away.

Your privacy is very important to me and to all who work for me. We shall always respect your privacy and safety. We guard your keys, code and respect your home. I shall never share or sell your personal information to a third party.

I take pride in living in the area that I serve. I take pride in being a Lil' business.

I hope to hear from you soon!
