

Dave,

I wanted to write this note of appreciate for everything you have done regarding the purchase of our new home. I will admit to being apprehensive of using your services, due to your remote location. However I would consider it to be one of the best decisions I have ever made. You exceeded all expectations! Your attention to detail, availability, promptness, and eighteen years of experience were made evident from our opening bid all the way through the closing process. Not only did you get me the lowest interest rate possible, I feel as though I have developed a friend in the process. In addition to the two referrals I have given you, I intend on referring everyone who will be purchasing a home to use your services. Buying a home is one of the most stressful times a person can go through, but having someone with your experience and knowledge makes the process a breeze. Everyone should be so lucky as to have a mortgage genius on their side, and that is exactly what you get with Dave Hecht from Eagle Nationwide Mortgage.

Sincerely,
Robert Tucker
